RELEASE NO: 01-28

Notice to Mariners: Wallops Rocket Launch Scheduled June 26 – July 9

The NASA Wallops Flight Facility will conduct a night launch of a single-stage Black Brant V suborbital sounding rocket from Wallops Island between 9 p.m. and 4 a.m., June 26 through July 9. This science mission requires specific activity in space to occur for launch. Therefore, an exact time and date for launch cannot be pre-determined.

The area in the Atlantic Ocean that poses a danger to mariners during the project is posted on the Boaters Launch Information page under the Wallops web site at www.wff.nasa.gov.

Completion of the mission will be noted on Wallops launch status line at 757-824-2050.

Thank you for your assistance and support.
